

Computer reports are short lived . . .

Computer printouts are part of today's business environment: quickly duplicated, generously distributed - and usually quickly outdated. The INTIMUS 385 se is economical in price and stops information flow to outsiders - it closes the circle.

Features

- 15" working width for standard EDP forms
- Self-adjusting torsion cutting system - no need to remove staples and paper clips
- Electronic eye located in the inlet guide ensures automatic on/off operation, reverse switch for paper jamming; motor overload protection; minimum maintenance
- Built-in frame for large plastic bag; work table on casters available as accessory
- Continuous duty motor - maintenance free
